Status: Needs Improvement — Significant opportunities identified for organic growth

---

1. Key Findings at a Glance

🔴 Critical Issues (Immediate Action)

- No meta descriptions on any page
- Missing structured data / schema markup
- No Google Business Profile optimisation
- Thin content on Rooms, Restaurant & Corporate pages
- No sitemap.xml or robots.txt confirmed
- No blog or location landing pages

🟢 Strengths to Build On

- Modern, fast Next.js website
- Clear USP (Nemcare proximity)
- Direct booking engine in place
- Strong niche: medical tourism / hospital stay
- Multiple room categories with pricing
- Corporate and restaurant pages exist

---

2. On-Page SEO — Meta Tags

All pages except the homepage are missing optimised title tags AND meta descriptions. The report recommends specific title tags (50–60 chars) and meta descriptions (150–160 chars) for:

Page	Recommended Title Tag	Status
Home	Hotel New Ganga Guwahati | Near Nemcare & GMCH Hospital	Title OK, needs meta

Rooms	Hotel Rooms in Guwahati | Standard, Deluxe & Super Deluxe	Both missing
Restaurant	Restaurant in Guwahati | Multi-Cuisine Dining — Hotel New Ganga	Both missing
Corporate	Corporate Hotel Stays Guwahati | Business Rates — Hotel New Ganga	Both missing

---

3. Technical SEO Issues

Priority	Issue	Details
🔴 Critical	Schema / Structured Data	No Hotel, LodgingBusiness, or FAQPage schema. Add JSON-LD to all pages.
🔴 Critical	Google Business Profile	GBP not fully optimised. Missing photos, Q&A, posts, category attributes.
🔴 Critical	Meta Descriptions	All pages missing. Google auto-generates snippets, reducing CTR.
🟠 High	Sitemap.xml	No confirmed XML sitemap submitted to Google Search Console.
🟠 High	Canonical Tags	Not confirmed on all pages. Duplicate content risk (www vs non-www).
🟠 High	Image Alt Text	Hero images and room photos lack descriptive alt attributes.
🟠 High	Internal Linking	Limited cross-linking between Rooms, Restaurant, and Corporate pages.
🟡 Medium	Page Speed (Mobile)	Large Cloudinary images (3840px wide) on mobile. Implement responsive srcSet.
🟡 Medium	robots.txt	Verify accessibility and not blocking key pages.
🟡 Medium	Open Graph / Social	OG tags not confirmed. Needed for WhatsApp/social link previews.

5. Local SEO & Google Business Profile

> *[!IMPORTANT] For a hotel in Guwahati, Local SEO is arguably the most important channel. The Google Map Pack drives the majority of hotel search clicks. Hotel New Ganga's GBP listing is **underoptimised**.*

GBP Checklist (Most items are Missing or Insufficient)

- Profile description (750 chars) — **Missing**
- Hotel attributes (Wi-Fi, AC, Parking, Restaurant) — **Missing**
- Photos (20+ high quality) — **Insufficient**
- Regular posts (weekly) — **Not active**
- Q&A section — **Unanswered**
- Check-in/out times, amenities — **Missing**

Citation Building Required On:

MakeMyTrip, Goibibo, Booking.com, Agoda, TripAdvisor, Hotels.com, Trivago, EaseMyTrip, Cleartrip, Justdial, Sulekha, Google Maps

6. Competitor Analysis

Competitor	Website	OTA Presence	Price Range	Threat
OYO Bhangagarh (near Nemcare)	OYO app only	Very High	₹1,042+	**High**
Puhor Plaza Inn (Bhangagarh)	Aggregator only	High	~₹1,500+	**High**
Hotel Sunview International (GS Rd)	Own website	Medium	₹1,800+	Medium
Novotel Guwahati GS Road	Own website	High	₹5,000+	Low
Hotel Gateway Grandeur	Own website	High	₹4,500+	Low

Competitive Advantage: Hotel New Ganga's own direct-booking website with transparent pricing and Nemcare/GMCH proximity. OYO and aggregator-only competitors can't compete on brand trust and direct booking conversion.

7. Content Strategy

Existing Page Improvements Needed

1. **Homepage** — Add 150–200 word intro paragraph (currently has no paragraph text for Google to crawl)
2. **Rooms Page** — Each room type needs 100–150 word keyword-rich description
3. **Restaurant Page** — Add menu highlights, cuisine types, hours, room service info
4. **Corporate Page** — Full corporate benefits section, bulk booking discounts, invoice facility
5. **Location Page** — Add distances from major landmarks (Kamakhya Temple, Railway Station, Airport)
